An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claims:

Cancel claims 24-35.

The following is an examiner's statement of reasons for allowance:

The prior art does not teach the claimed invention as a whole, including holding a plurality of LEDs in openings that extend completely through a thickness of a first board, each of the openings being defined by a side wall that is capable of shielding light emitted from a corresponding one of said plurality of LEDs and having an arrangement accuracy corresponding to an arrangement accuracy required of said corresponding one of said plurality of said LEDs.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
